

# RENEWAL OF PRODUCT CLASSIFICATION APPLICATION

Effective **1 May 2025**, all newly issued Product Classification Letters will have a validity period of up to two (2) years from the release date of the letter.

## 1. Implementation Details and Key Dates:

To ensure a smooth transition, please refer to the table below for the validity status of Product Classification Letters based on their issuance date:

Date of Product Classification Issuance	Validity Status
<b>On or before 31 May 2023</b>	The letter is no longer valid. A new application is required if necessary.
<b>Between 1 June 2023 and 31 May 2025</b>	The letter remains valid until 1 May 2027
<b>After 31 May 2025</b>	The letter will be valid for up to two (2) years from the issuance date.
<b>Starting 1 May 2027</b>	A new Product Classification Letter framework will take full effect.
